**Subject: Application for Schengen Tourist Visa to Iceland – Sayad Ibna Azad  
(Passport: A15327894)**

I am writing to formally submit my application for a Schengen tourist visa to Iceland. My name is Sayad Ibna Azad, and I hold Bangladeshi passport number A15327894. I am currently employed as a Developer at SAYAD IT, and I am excited to embark on a memorable tourist trip to explore the unique beauty of Iceland during my planned travel dates.

The primary purpose of my visit is tourism and leisure. I am particularly eager to experience Iceland's renowned natural wonders, including the iconic Golden Circle route, majestic waterfalls, and breathtaking glaciers. I anticipate a refreshing and enriching experience, immersing myself in the country's stunning landscapes and vibrant culture. My itinerary, which is attached, outlines my planned activities and accommodations for the duration of my stay, after which I will return to my home country.

I confirm that I will be solely responsible for all expenses incurred during my trip to Iceland. My financial stability is well-established through my annual income of BDT 120,000 as a Developer, complemented by a substantial savings of BDT 2,000,000 in my bank account. These funds are more than sufficient to cover all travel, accommodation, sustenance, and incidental costs without any reliance on public funds.

I possess strong and compelling ties to my home country, Bangladesh, which guarantee my return. As a dedicated Developer at SAYAD IT, I have ongoing professional responsibilities and a crucial role within the company that necessitates my presence. Furthermore, my family, including Labib, resides in Bangladesh, and I own property, establishing deep personal and financial roots. These commitments underscore my intention to return to Bangladesh promptly after my visit.

I respectfully request your favorable consideration of my visa application. I have enclosed all the necessary documents as per the requirements and am available to provide any

additional information or documentation should it be required. Thank you for your time and attention to my application.
